Mall Flasher

I exposed my breast. You would think those men had never seen a naked tit!

The baby began to cry as soon as we entered the indoor shopping center. I quickly found a bench in the open courtyard and opened my top. I put the baby's mouth to my left breast, and he began sucking quietly.

The two men on a bench across from me gawked in disbelief. One of them had his hand in his lap, trying to conceal his erection. I couldn't take my eyes off the bulge in his crotch.

Before long, the baby stopped sucking. I wasn't surprised. There was no milk. I'm not his mother. I'm his aunt. I've never even been pregnant. I just like to show my body to strangers. I take care of the baby for my sister quite often. He gives me an excuse to display my boobs in public.

I had to cut my game short that day, as the baby was starting to cry and scream. He wanted his bottle. I hated to move, but I had to feed the kid.

The two men followed my every move as I put the tit back in my top, picked up the baby, and walked away down the long mall until I found another bench. Then I stuffed a bottle into the baby's mouth.

The little guy sucked happily. He was a very useful prop. My game was both exciting and safe. Men seem to respect a nursing mother. They will look, but never try to touch. I've never had one try to make a pass at me.

Oh, I like sex, but on my terms. I don't want to be molested or harassed, especially in public. As I sat there feeding the baby, the better looking of the two guys who had watched me flash my tits walked past. He was old enough to be my father. There was a knowing smile on his face as he walked by. He definitely was onto my little game.

I decided to tease him some more; my pussy still tingled from the first episode. He went into a men's clothing store. I found a ladies room and removed my panties. That left only a thin blouse and a short skirt on my overheated body.

My timing was perfect. I walked past the men's store, pushing the stroller, just as the man came out. I managed to bump into him. My breasts brushed his arm. He stared at the front of my blouse, which was still unbuttoned from the "feeding." He had a perfect view of my right tit. The nipple was erect.

He mumbled an apology as I walked away. He was only a few steps behind me. He was hooked; he liked the bait. I teased him as I bent over to adjust the baby in the stroller.

I could see his reflection in a store window. He stopped and pretended to look in the window. Actually, his eyes were locked on my ass as I bent over. The skirt was short enough to give him a full view of my exposed ass and even the fringe of my cunt, as it peeked from between my legs.

Once he even stopped, as though looking at a display on the bottom shelf of the window. He was just getting a better angle. My cunt was

dripping.

He was still shy, however; he never came closer than about 10 feet. I wanted him to come closer, so I turned and entered a bookstore. He followed. We were the only customers in the store.

The clerk was busy pricing new books. I strolled over to the rear of the store and stopped at the aisle marked "Health and Sex Education." The shelves ran parallel to the front of the store, so I was out of sight of the clerk.

My handsome voyeur worked his way to the back of the store until he reached the section directly across from me. I smiled as I watched him try to fake an interest in books on sewing and cooking.

I took advantage of the privacy as I squatted, my legs pointed in his direction and my skirt above my knee. And then I opened my legs.

He coughed and dropped the book he was holding; it hit the floor with crash. He blushed as he stooped to pick it up. His eyes however never left my exposed pussy. I became hornier by the minute. I wanted desperately to touch my quivering clit, but I resisted.

As I moistened my finger to turn the pages of a book, I had a flash of inspiration. Before turning the next page, I dipped my finger between my legs and very slowly and deliberately drew it up my slippery slit. I used the moisture to turn the page.

I thought my handsome voyeur was going to faint. He licked his lips and moved closer; his face was flushed. Before I could tease him anymore, he looked at his watch, shook his head, and walked away.

I followed him. I was curious; what was so urgent? Was he meeting his wife or mistress? It was none of these. I walked across the mall and into small jewelry store. It turned out he was a salesman, on his lunch hour. He relieved the other guy in the store, who then grabbed his lunch and left.

My prey and I were alone. I wanted to play some more. The game had my pussy tingling and I needed relief. I approached my "victim." He choked on the words as he asked if he could help me: I bit my tongue to keep from saying, "Yes, fuck me!" Instead, I asked him to appraise my ring. It was a beautiful diamond cluster, given to me by my grandmother. I wear it on the same hand that had so recently been between my legs.

I enjoyed his discomfort as I held my hand, still ripe with my pussy aroma, in his face. He excused himself to step into the back room for a jeweler's magnifier.

I used the time while he was away to slip my hand under my skirt. I rubbed my fingers all around my juicy pussy, which brought me to the brink and almost made me come.

The jeweler returned, put the magnifier in his eye, and took my hand. My fingers were slippery with my juice. He lost control. He took my

fingers, one by one, into his mouth and licked them clean. His other hand was on his dick, as he moaned and cleaned. My knees felt weak, as shivers of pleasure ran up and down my spine. I wanted this man more than I had ever wanted a man in my life—and I was going to have him no matter what.

"Step into the back room, ma'am," he mumbled. "I'll clean the ring for you." His voice cracked. I knew he wanted the same thing that I did. This was the first time my flashing game had turned into more than a little peek at some flesh. I couldn't help it; I wanted—no, needed—his hard dick!

He followed me into a closet-size room and closed the curtain behind us. Even as we stood in that small room, only two feet between us, he didn't touch me. He stood like a statue, his hands at his sides and a bulge in the front of his pants.

I unbuttoned my blouse and let it fall to the floor in a pile with my skirt. He still didn't move, as he appraised my nude body. I backed up to a workbench on the back wall and sat on it. My legs dangled over the side. I spread them and used both hands to separate the lips of my soft, pink cunt.

Finally he knelt and buried his face in my hot pussy. His tongue dipped in and out of the tunnel as I held it open. Each flick of his tongue against my clit brought me closer and closer to my peak.

I could take no more. I locked my legs around his head and pushed his face hard against my cunt as I humped it over his mouth, nose, tongue, and chin. I almost fainted as the spasms shook my entire body. When I finally released him, he remained on his knees, sitting back on his heels. He was like a puppy begging for a bone. I don't think he believed what was happening.

"Fuck me!" I whispered, and he sprang into action. His pants and shorts were down around his ankles in a flash. His dick was huge; the head was like a big mushroom. There was a drop of pre-cum oozing from the tip. He pulled my legs wide and plugged in, hitting bottom in one thrust.

My cunt walls clamped around his rigid cock as we humped like animals. The first shot of his cum splashed against the walls of my cunt. It was maddening; I began to shake, shiver, and quiver as we came together.

The noise woke the baby, who started screaming. I dressed quickly, opened the curtain, and was shocked to see a customer standing at the counter. She was a grandmother type, with silver-gray hair and lots of jewelry. There was disgust on her face as she watched my fuck buddy tucking in his shirt.

I quieted the baby and pushed the stroller toward the door. I shouted back over my shoulder, "Don't be late tonight, dear. You know we are having guests."

The old matron's expression instantly changed to one of beaming approval. In her eyes, now we were a young couple with a new baby. I guess that meant it was all right to screw around.

If she only knew the truth!

Naomi was ready to go out tonight with her man and paint the town red. Her fine body was caught in the closet trying on one sexy outfit after the other. Her curves fit all of them beautifully, but the best fit is on a hard dick. Her moist pussy wraps around it tightly, and squeezes till they both pop.

Coin-Op Cooze

I was feeding my parakeet Barney through the bars of his cage when Allison called me on her way home from work; she was stuck in traffic and in a foul mood. "Can I come by later and do some laundry?"

"You could," I told her, "if my washer was working."

"What's wrong with your washer?"

"Broken."

"You're kidding."

"Afraid not, babe. And that's not the worst of it. The handyman said it's beyond repair. Looks like I'm going to have to bite the bullet and buy a new one."

No reply on her end. She must've been smoking a cigarette. I could hear cacophonous city sounds—bleating horns, rumble of the elevated train, roar of a jet streaking across the sky—through her open window, imagining her exhaling a purple plume with a languid flourish. Allison looked especially sexy when she smoked.

Finally she said, "When?"

"When what?" I asked her.

"When are you going to buy a new washer?"

"Hell if I know," I replied. "I don't have the money right now."

She didn't say a word. Looking back, I should've interpreted her lack of response as a portent of doom. No doubt she had been calculating, weighing pros and cons, considering other options. But I was a fool.

"Well," she broke the silence, "I guess that's that, huh."

"Back to the Laundromat," I remarked with a weary sigh, "for both of us."

I was wrong, of course. Allison had a backup plan.

The possibility that Allison was using me for my washer and dryer had never occurred to me; not while we were dating, anyway. But the hard truth reared its ugly head soon enough. Having learned of my broken appliance, Allison cut me off with ruthless efficiency. My repeated calls and texts went unanswered. Finally, after a week of no communication between the two of us, she broke up with me via text message.

It was a major blow. I brooded for weeks, holing up in my apartment and drinking way too much. I even started smoking again, resuming the dreadful habit that I had quit three years prior. I won't go so far as to say that I was in love with Allison. Still, I missed her something awful. Hers was a hot ass not easily forgotten.

A pair of her panties left in my dryer proved devastating for my recovery. I masturbated with them frequently, shucking my cock with the soft fabric, blowing countless wads while pining for her tight pussy.

I had no pride, no self-esteem, no backbone.

But things turned around eventually.

At the most unlikely of places...

The coin-op Laundromat near my apartment was a dreary place. They had these awful plastic seats which gave me a backache, the bill changer was always out of order, necessitating a trip to the convenience store, and the restrooms were disgusting.

Were it not for my love of reading I would have never been able to endure my weekly laundry outings. On that fateful night I was engrossed in a paperback Sword & Sorcery novel, trying to lose myself in a world of heroic barbarians and evil wizardry, when the sweetish scent of Pikake oil tickled my nose.

Peering over the top of my book, I spied a slender blonde cutie occupying the seat directly across from

mine. A low table cluttered with old newspapers separated us. She leaned forward, reaching for a section of paper, gifting me a generous gander down the top of her peasant dress. The cutie wasn't wearing a bra; and she had a nice set of tits, perky and small, a perfect handful in the B-cup range.

I resumed reading for less than a minute when a second cutie entered the equation; she was a curvy redhead with a massive pair of jugs scarcely concealed by a black tank top. Large nipples pressed against the material, threatening to pierce the lightweight summer fabric with their robust rigidity.

It became increasingly difficult, bordering on impossible, to read. Sitting there across from those two hotties, waiting for my bath towels to dry, I found myself getting an erection, a persistent and uncomfortable hard-on demanding my immediate attention. The restrooms were filthy, sure, but I was more than willing to endure this in order to rub one out.

I got out of my seat, wincing with discomfort, hoping that my stiffy wasn't too obvious. The restrooms were located in a small corridor at the rear of the Laundromat. I started to push my way into the men's room when a shadow lashed the wall, prompting me to glance over my shoulder.

The hotties stood framed in the mouth of the corridor, sizing me up like a cut of meat at the corner butcher shop. The redhead sauntered past; a white denim skirt squeezed her curvy hips, holding my gaze. There was a door at the end of the corridor. She threw the bolt and pushed the door open, revealing an alley behind the building.

Meanwhile the slender blonde had ventured into the narrow corridor. Standing before me, a knowing smile creasing her features, she ran her fingertips across my chest and down my stomach, stopping scant inches above my bulging crotch.

"Laundry is so boring," she said. "Let's liven things up, shall we?"

"What did you have in mind?" I asked her.

"Come out back," Big Jugs said, "and we'll show you."

The alley was the perfect spot for a holdup. I half-expected the flash of a knife, even the brandishing of a handgun. Perhaps they did this all the time, luring men with the promise of sex; only to rob them of their wallets.

Sensing my unease, the blonde told me to relax.

"Yeah." Big jugs closed the backdoor. "We're harmless."

"You can't blame me for being a little nervous," I told them. "I mean, hey, it's not everyday that two."

The blonde pressed her finger to my lips, effectively silencing me. Then she kissed the redhead hungrily, roving the latter's body with her hands, working both of them into a frenzy of excitement. I stood there against the wall, getting harder and harder as I watched them make out.

Big Jugs broke the kiss long enough to say: "What are you waiting for? Whip it out. You know you want to."

She didn't have to tell me twice.

I unfastened my fly and freed my cock...

Big Jugs embraced her friend, cupping the blonde's ass with both hands; then she lifted the hem of the peasant dress, treating me to a most wondrous sight.

Clearly, the blonde didn't believe in undergarments—no panties to speak of. She had an amazing ass, tight and compact, damned near perfect if you liked them on the skinny side, which I most definitely did. Gazing at that beautiful bum, I spat in my palm and proceeded to tug my rigid shaft.

Having parted her partner's cheeks, Big Jugs stretched them apart for my viewing pleasure. The blonde's pussy was on full display, her pussy and donut hole. My cock told me to stroke faster, but my mind knew better. I didn't want to squirt my ball juice too soon. A show of restraint, I reasoned, would serve me well in the long run.

The blonde shucked Big Jugs' tank top, unveiling a most spectacular set of tits. The mere sight of those magnificent mounds made my pulse rev. My mouth watering, I imagined sucking her nipples; this a mere second or two before the blonde did just that. Big Jugs moaned and squirmed as her partner feasted. Regarding me over her lover's shoulder, the busty redhead peered at me, licking her lips lustily as I pulled my prick.

I was having the time of my life. Still, my pleasure was tempered with a degree of uncertainty. Was I to play the role of voyeur and nothing more? They were letting me watch, and touch myself, but what if I tried to join in the fun? I didn't want to break an unspoken rule, didn't want to cross a barrier and inadvertently fuck up the party.

Thankfully the blonde clarified the situation when she turned to face me. She smiled, her lips glistening with saliva, and said, "Bring that big cock over here."

A broken washing machine pushed against the back wall proved most useful. Big Jugs sat atop the lid of the top loader, hiking the hem of her skirt above her ample hips. Unlike her lover, she sported a pair of pink lace panties. But the blonde made short work of these, pushing them aside as she pressed her face between Big Jugs' meaty thighs.

The girl could eat some serious pussy. She licked and lapped her lover's gash, eliciting groans of pleasure from the redhead. A multitalented gal, she pumped my tool while eating Big Jugs' cunt, jerking me with one hand. The blonde gave a spectacular handjob. Still, I was eager to share my meat in a different manner. Luckily there was a discarded milk crate in the alley . . .

"Be right back," I told them, extricating myself from the tryst. I retrieved the milk crate and placed it beside the washing machine. Standing on the crate, I nodded with satisfaction; now I had the elevation necessary for a blowjob.

I thrust my rod in Big Jugs' face. She devoured me in earnest, wrapping her full lips around my dick. The busty redhead plunged down the length of my shaft, then up, then down again, polishing my manhood with slobbery glee.

The blonde was still at it, munching Big Jugs' muff as fervently as ever. Then, without warning, she stopped. "Mmmmmmm." She came around to my side of the washing machine and knelt before me. "I haven't licked balls in a long time."

Be that as it may, she hadn't forgotten a thing. My heart hammering with excitement, I relished receiving the royal treatment. Big Jugs shellacked my hose while the blonde lapped and suckled my balls. This did the trick, purging my nuts of much man batter. I released my load all over Big Jugs' face and tits.

By the time we went inside my bath towels were warm and dry.

That wild night at the Laundromat went a long way in helping me forget all about Allison. Still, there was one more thing I had to do to make the closure complete. Remember those panties she had left in my dryer, the ones I had used to jerk off with?

Well, I used the frilly garment to clean the bottom of Barney's bird cage.

Then I mailed them to her First-Class!

Cumming to the victor's party

izabella & samantha & silvie

The top three are announced, and medaled. With the euphoria of their victory, and officials ever tightening pants right in front of them, they all got the same idea on how best to celebrate. They're all undressed in a flash, the room starts echoing with moans, and their juicy pussies are quivering with satisfaction.
